

Claims Service Company Of the Year 2014

It is a matter of great pride to us to inform all that **STAR HEALTH AND ALLIED INSURANCE COMPANY LTD** has been adjudged the "Claims Service Company of the year" for year 2014. This honour is noteworthy especially in the background that it is conferred after evaluating not just the four health insurance companies alone, but all the 28 general insurance companies in India consisting of 4 PSU insurers, 18 private players, 2 specialised insurers and the 4 health insurers.

This is one of the many awards given every year under the banner "The Indian Insurance Awards" and is instituted by Fintelekt, Pune, a body involved in research activities in banking, financial services and insurance in India.

The Indian Insurance Awards have been conceptualised to honour performance, growth and excellence in the Indian insurance industry, and raise the benchmark year on year for industry participants. The awards have become a benchmark to measure the achievements of the insurance industry in India.

The Award conferred on us this year is a recognition of the customer-centric claims processing of our company, and is a validation of unremitting efforts we have taken to improve the quick and efficient claims servicing which is the hallmark of Star Health and allied Insurance Company Ltd.

The award was presented at a special awards ceremony that took place in Mumbai, on June 25, 2014.

Mr. R S Nayak, Vice President, Mumbai received the award in Mumbai on behalf of the Company.
