Star Health upgrades cardiac policy

OUR BUREAU

Chennai, July 20

Star Health and Allied Insurance Company, a private standalone health insurance company, has announced inclusion of some new benefits to its existing cardiac-care policy without any additional premium.

Apart from including some new procedures, it has added outpatient expenses with a limit of ₹500 per event and maximum of ₹1,500 per policy period. These expenses are reimbursable only when incurred at Star network hospitals or diagnostic centres, ac-

The policy also has an accidental death cover equal to the health sum assured

cording to a company statement.

The policy will also have an accidental death cover equal to the health sum assured. Further, the coverage will be granted without any prior medical screening.

"The revised cardiac care policy is a boon to the people who have undergone cardiac sur-

gery. It is a known fact that cardiac-related claims cost the highest in the health insurance industry and the ones who have missed taking the cover before being diagnosed with cardiac ailment need not regret it as they can now take it even after being diagnosed with cardiac-related ailments," said V Jagannathan, Chairman and Managing Director, Star Health and Allied Insurance Company.

There are two versions under this cover – Gold Plan and Silver Plan. The coverage will vary depending on the scheme.
